

Protect Yourself Against Jury Scams

Please be on alert for jury scams, including those involving calls from people claiming to be court officials or law enforcement officers.

The Kentucky Court of Justice personnel will never ask for payment, a credit card number or Social Security number for failure to appear for jury service. DO NOT provide your bank or credit card information over the phone to anyone claiming to be associated with the court system's jury program.

If you receive a suspicious call, email or other communication from someone who claims to be a court employee and requests financial information, contact your [local jury office](#) and local law enforcement immediately
